Join us for connection and conversation...

This gathering is an opportunity for family members to connect, share experiences, and discuss their hopes for their loved one's future. Together, we can create a great future for our loved ones.

This gathering will be led by Stefanie Primm from Living Our Visions and Lisa Pugh from The Arc Wisconsin and hosted by a small group of families. Stefanie and Lisa work with families throughout Wisconsin to improve the lives of our loved ones.

DO YOU HAVE QUESTIONS?

Who will support our loved one when we're gone?

What resources are available?

How can we prepare for the future?

What can we learn from one another?

Who can help us?

PLEASE RSVP BY SEPT 20
