

Governor's Task Force on Caregiving

Family Medical Leave Act Amendments Proposal (Sept. 2020)

(Find the complete Task Force Report and all recommendations [here.](#))

Expand the Wisconsin Family and Medical Leave Act to:

- Specifically include chronic conditions and caregiving responsibilities
- Expand the list of people covered to include grandparents, grandchildren and siblings
- Expand the examples of how care can be used to include attending training and education on caregiving duties and responsibilities, discharge planning meetings, and care planning meetings

Estimated cost: No estimated cost to the state
